

Section A — About you

HOW THIS WORKS · Fill this form in any PDF reader (computer or phone), save it, and email it to astrologers@astroamrit.com — attaching ANY NUMBER of supporting documents (certificates, lineage letters, published work, sample readings) against the knowledge you claim in Section B. Our management team reviews every application; if shortlisted, you receive a sign-in invitation and your documents enter the formal verification record. Verification protects YOUR name: clients see a verified, named specialist — never an anonymous pool.

Section B — Your knowledge claims (tick every system you practise)

Depth beats breadth here — a single deeply-practised system is a strong application. For each claim, name your training or lineage; Section D lists the documents you attach as evidence for these claims.

Section C — Are you already serving on any platform?

If you consult on any platform today (AstroTalk, AstroSage, GaneshaSpeaks, your own site, YouTube — anywhere), give the details below. This helps us verify your track record faster and honour any obligations you have. Serving elsewhere is NOT a disqualifier.

I do not currently serve on any platform (skip to Section D).

Tip: your profile URL there lets us verify your public track record in minutes — ratings and reviews carry over as evidence.

Section D — Documents you are attaching (any number)

List each document you attach to your email, and which claim it supports. Accepted alongside this form: PDF, JPEG, PNG.
Examples: certificates, degrees, lineage/guru letters, published articles or books, recorded/sample readings, awards, ID proof.

Section E — Declarations

- The information and claims in this form are true, and the attached documents are genuine.
- I consent to AstroAmrit verifying my claims — including contacting institutions or lineage references I have named.
- I agree to the honesty charter: no guaranteed outcomes, no fear-based selling, no upsell quotas — and consultations that respect the platform's red lines (no medical, longevity or fertility verdicts).
- I understand my profile is a NAMED, verified practice — my credentials and per-consultation ratings are shown to clients.
